<https://steamcommunity.com/id/Daggz117>

On January 23 2024 he made his Palenstine post
<https://twitter.com/Daggzyt/status/1750017134342574346> He said this and i have the post saved in the links down below. Daggz- "Activism" is not fucking harassing entertainers into spreading awareness or virtue signaling for creators or big accounts. Stop trying to get people to talk about things not appropriate for their account just so you can look good.

Basically he screwed up his post so badly and got so angry when he could have stayed calmed. Instead saying hey. There are a lot of people suffering. If you want to help it would mean a lot to so many people. He has a big audience. If he did that a lot of people would really have

appreciated that. And give more money along with helping out the people of Palenstine. He didn't. He messed up so. That so many people aren't fans of how he acted. Some of his audience, pro Palenstine people got pissed because of how he behaved so much so that people think he's a zionist.

On February 15th 2024 Quinnamon along with Daggz did a stream on Pappo's channel. It was a Muzy stream <https://twitter.com/pappo447/status/1758303997679501442> after the stream was done that night. Daggz made several tweets harassing BBonnet/Avery for a joke she made about her abuser. Along with a thread calling them out. BBonnet/Avery called out her ex who harassed her, and a bunch of other women. Then Daggz; someone who had NOTHING to do with this, sends his massive platform after BBonnet/Avery. Daggz got so mad for some reason that he sent his fans after her to get her harassed and her account taken down. He made a tweet bragging about it afterwards as well. And a "apology" he made a while later which was so half asked. He deleted all posts he made about Bbonnet/Avery around that time since he got a ton of crap for it.

All of the posts he made regarding that situation outside of the post where he was bragging about getting her harassed is in the links below. It does exist since in the post above Pastra mentioned about him harassing BBonnet/Avery so much that he canceled a stream with him. So if you don't believe me you can believe him since he is a much bigger individual and Youtuber as well. Keep this situation in particular in mind. Because it's really important for what Daggz does next month.

BBonnet (and others) made a callout post about Jeztorr harassing them. So then Jeztorr deleted his account. And then Daggz called out BBonnet (wrongfully) for calling out Jeztorr because he's a minor. And Daggz's fans got BBonnet banned.

On March 14 2024 Daggz made an alt to shit talk BBonnet/Avery for no real reason. He created a document on a 16 year old girl and ignored the actual victims requests because he wanted to just make the document look as bad as possible, he doesn't care about the victims, he's dating a 16 year old which is hypocritical, said not everyone needs to talk about palestine and defended a proshipper, there's a lot more in depth stuff like how he only came back to talk to the victims when he found out someone snitched on him and was only caring about who told on him more then anything. Here that burner account <https://twitter.com/BurnerAcco46599> The situation didnt explode until March 30th 2024. When people found the account that daggz made a whole burner account to say she's just an outright pedo, which isn't the case.

Outside of calling minor a pedo. He said people shouldn't post about Palestine because it ruins their account theme and also defended a proshipper like few months ago. The daggz situation is so insane, imagine lying about someone being a pedophile when you yourself are dating a 16 year old and then when you get called out you try to drag your fellow content creators down with you by lying about them supporting you. Not to mention Daggz himself dating a 16 year old at 18, doing the exact thing he considered grooming with her dating people two years younger. He

also said appearance is more important than a literal GENOCIDE (the shit that's going down in the Middle East) and defended somebody that sexualized Gregory from FNaF who is a child.

The most disgusting part here daggz ignored the messages to remove the grooming stuff from the document he made, but daggz ignored the victims requests and only came back to message this groupchat when he got thrown under the bus by the victims.

Here's multiple links to info and things he has said and done.

https://www.mediafire.com/file/4w0y9dlf3t8296j/Daggz_big_info.zip/file

https://mega.nz/file/kLUHSZCB#5T59miQwIw0ET8C8vW_MK9F7i_CNsdFQAPCCxh7ul2c

<https://files.catbox.moe/qd33ez.zip>

As for the Daggz dating Quinnamon section here. Now here's the juicy part. Daggz is 18 and Quinnamon is currently 16 and dating him. The age of consent where they both live is 16. Now from the info above Daggz's birthday is January 17th as stated on here

[@Daggzyt](https://twitter.com/Daggzyt) and on his Wikitubia page

<https://youtube.fandom.com/wiki/Daggz> where he turned 18 this year. And despite Quinnamon's constant lying there is way too much evidence on his birthday from multiple sources including him saying his birthday is on February 4th. From multiple people including himself several times as stated by info in that Google Drive here

https://drive.google.com/drive/u/0/mobile/folders/1LIOEgasbewl-ICdNAoEAQtRF5RqF8IKF?usp=drive_link and by the info in the three links above. He also got rid of the post where he said it's his birthday on February 4th in sort of a joking manner. And it's deleted on his [@quinnamon](https://twitter.com/quinnamon) Twitter account. The only info you can get on other people saying it's his birthday after he focused on his Quinnamon account is these two posts

<https://twitter.com/DevSprings/status/1754350130365346237>

<https://twitter.com/MustyYew/status/1754629629011198398> Meaning that around that 2-3 week period the 18 year old Daggz was and still is still dating the 15 year old Quinnamon. Until he turned 16 on February 4th 2024. They started dating as most people would assume late September or by all the info early October of last year.
